

## ABOUT CENTRE

To encourage and motivate researchers across the globe, centre have been initiated in the institution towards innovation in the field of Science and technology. Sathyabama Institute of Science and Technology with the joint initiative of the National Solid Waste Association of India (NSWAI) has established the Centre for Waste Management in 2011. Centre was devoted to develop innovative products, patent liable novel ideas in Waste Management, publish experimental outcomes in Q1 journals, train graduate students, offer consultancy services and pursue outreach activities so as to translate the research findings to the society for environmental and economic benefits

## ABOUT WORKSHOP

Waste is a valuable resource for recovery of various value added products. Energy engineering is the emerging discipline for achieving negative carbon emission. Environmental engineering aims to provide clean water, air and land for better living as per sustainable development goals (SDGs). This training program provides wide knowledge on Hydrothermal liquefaction (HTL) technology for waste biomass valorisation. HTL can be used to process all type of wastes like agriculture, algae, sewage, municipal, forest residues.

## Patrons

**Dr. T. Sasipraba**, Vice Chancellor

## Organizing Secretary

**Dr. Dawn S S**, Professor (Research), CWM

## Conveners

**Dr. J. Arun**, Assistant Professor (Research), CWM

**Dr. N. Nirmala**, Assistant Professor (Research), CWM

**Dr. P. Priyadharsini**, Scientific Assistant, CWM

**Dr. M. Sivasakthi**, Assistant Professor (Research), CWM

**Mr. A. Santhosh**, Project Coordinator (STI-HUB), CWM

**Ms. A. Bhuvanewari**, Project Assistant, CWM

**Mr. J. Jayakanth**, Project Assistant, CWM

## To Register

Sathyabama Institute of Science and Technology,  
Jeppiaar Nagar (OMR), Chennai- 600 119, Tamil Nadu, India.

# Sathyabama

Institute of Science and Technology

(Deemed to be University)

**CENTRE FOR WASTE  
MANAGEMENT**

**&**

**CENTRE OF EXCELLENCE FOR  
ENERGY RESEARCH**

**One day Workshop on  
Value addition of  
Pharmaceutical Sludge  
using Hydrothermal  
Reactor (HTL)**

**29-08-2022**

**Certificate will be provided**
